before the close of the poll, that officer is to open it as soon as is practicable; and rules 35 and 36 are to apply.
34.2 The returning officer may open any covering envelope for the purposes of rules 35 and 36, but must make arrangements to ensure that no person obtains or communicates information as to:

(a) the candidate for whom a voter has voted, or
(b) the unique identifier on a ballot paper.

34.3 The returning officer must make arrangements to ensure the safety and security of the ballot papers.

35. VALIDITY OF VOTES

35.1 A ballot paper shall not be taken to be duly returned unless the returning officer is satisfied that it has been received by the returning officer before the close of the poll.

35.2 Where the returning officer is satisfied that rule 35.1 has been fulfilled, the ballot paper is to be put aside for counting after the close of the poll.

35.3 Where the returning officer is not satisfied that rule 35.1 has been fulfilled, they should:

(a) mark the ballot paper “disqualified”,
(b) record the unique identifier on the ballot paper in a list (the “list of disqualified documents”); and
(c) place the document or documents in a separate packet.

35.4 An internet, telephone or text message vote shall not be taken to be duly returned unless the returning officer is satisfied that the internet, telephone or text voting record has been received by the returning officer before the close of the poll.

36. DE-DUPLICATION OF VOTES

36.1 Where a combination of the methods of polling are being used, the returning officer shall examine all votes cast to ascertain if a voter ID number has been used more than once to cast a vote in an election.

36.2 If the returning officer ascertains that a voter ID number has been used more than once to cast a vote in an election they shall:

(e) complete electronic copies of records referred to in rule 25 held in a device suitable for the purpose of storage.

**Part 6 Counting the votes**

Note: the following rules describe how the votes are to be counted manually but it is expected that appropriately audited vote counting software will be used to count votes where a combination of methods of polling is being used and votes are contained as electronic e-voting records and ballot papers.

**STV38. Interpretation of Part 6**

STV38.1 In Part 6 of these rules:

“ballot” means a ballot paper, internet voting record, telephone voting record or text voting record.

“continuing candidate” means any candidate not deemed to be elected, and not excluded,

“count” means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates,

“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll,

“mark” means a figure, an identifiable written word, or a mark such as “X”,

“non-transferable vote” means a ballot:
(a) on which no second or subsequent preference is recorded for a continuing candidate, or
(b) which is excluded by the returning officer under rule STV46,

“preference” as used in the following contexts has the meaning assigned below:

(a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,
(b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
(c) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule STV43,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable ballots from the candidate who has the surplus, “stage of the count” means:

(a) the determination of the first preference vote of each candidate,
(b) the transfer of a surplus of a candidate deemed to be elected, or
(c) the exclusion of one or more candidates at any given time,

"transferable vote" means a ballot on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate, "transferred vote" means a vote derived from a ballot on which a second or subsequent preference is recorded for the candidate to whom that ballot has been transferred, and "transfer value" means the value of a transferred vote calculated in accordance with rules STV44.4 or STV44.7.

38. ARRANGEMENTS FOR COUNTING OF THE VOTES

39.1 The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

39. THE COUNT

40.1 The returning officer is to:
(a) count and record the number of votes that have been returned, and
(b) count the votes according to the provisions in this Part of the rules.

40.2 The returning officer, while counting and recording the number of votes and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or a voter's voter ID number.

40.3 The returning officer is to proceed continuously with counting the votes as far as is practicable.

STV41. Rejected ballot papers

STV41.1 Any ballot paper:
(a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
(b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
(c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
(d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV41.2 The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

STV41.3 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule STV41.1

FPP41. Rejected ballot papers

FPP41.1 Any ballot paper:
(a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
(b) on which votes are given for more candidates than the voter is entitled to vote,
(c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
(d) which is unmarked or rejected because of uncertainty, shall, subject to rules FPP41.2 and FPP41.3, be rejected and not counted.

FPP41.2 Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP41.3 A ballot paper on which a vote is marked:

(a) elsewhere than in the proper place,
(b) otherwise than by means of a clear mark,
(c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP41.4 The returning officer is to:

(a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
(b) in the case of a ballot paper on which any vote is counted under rules FPP41.2 and FPP41.3, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

FPP41.5 The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings:

(a) does not bear proper features that have been incorporated into the ballot paper,
(b) voting for more candidates than the voter is entitled to,
(c) writing or mark by which voter could be identified, and
(d) unmarked or rejected because of uncertainty, and, where applicable, each heading must record the number of ballot papers rejected in part.

STV42. First stage

STV42.1 The returning officer is to sort the ballots into parcels according to the candidates for whom the first preference votes are given.

STV42.2 The returning officer is to then count the number of first preference votes given on ballots for each candidate, and is to record those numbers.

STV42.3 The returning officer is to also ascertain and record the number of valid ballots.

STV43. The quota

STV43.1 The returning officer is to divide the number of valid ballots by a number exceeding by one the number of members to be elected.

STV43.2 The result, increased by one, of the division under rule STV43.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

STV43.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV44.1 to
STV44.3 has been complied with.

**STV44. Transfer of votes**

STV44.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballots on which first preference votes are given for that candidate into sub-parcels so that they are grouped:
(a) according to next available preference given on those ballots for any continuing candidate,
or
(b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV44.2 The returning officer is to count the number of ballots in each parcel referred to in rule

STV44.3 The returning officer is, in accordance with this rule and rule STV45, to transfer each sub-parcel of ballots referred to in rule STV44.1(a) to the candidate for whom the next available preference is given on those papers.

STV44.4 The vote on each ballot transferred under rule STV44.3 shall be at a value (“the transfer value”) which:
(a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
(b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballots on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

STV44.5 Where at the end of any stage of the count involving the transfer of ballots, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballots in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:
(a) according to the next available preference given on those ballots for any continuing candidate, or
(b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV44.6 The returning officer is, in accordance with this rule and rule STV45, to transfer each sub-parcel of ballots referred to in rule STV44.5(a) to the candidate for whom the next available preference is given on those ballots.

STV44.7 The vote on each ballot transferred under rule STV44.6 shall be at:
(a) a transfer value calculated as set out in rule STV44.4(b), or
(b) at the value at which that vote was received by the candidate from whom it is now being transferred, whichever is the less.

STV44.8 Each transfer of a surplus constitutes a stage in the count.

STV44.9 Subject to rule STV44.10, the returning officer shall proceed to transfer transferable ballots until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

STV44.10 Transferable ballots shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:
(a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
(b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.
STV44.11 This rule does not apply at an election where there is only one vacancy.

STV45. Supplementary provisions on transfer

STV45.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballots of the candidate with the highest surplus shall be transferred first, and if:

(a) The surpluses determined in respect of two or more candidates are equal, the transferable ballots of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and

(b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballots of the candidate on whom the lot falls shall be transferred first.

STV45.2 The returning officer shall, on each transfer of transferable ballots under rule STV44:

(a) record the total value of the votes transferred to each candidate,
(b) add that value to the previous total of votes recorded for each candidate and record the new total,
(c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
(d) compare:
   (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
   (ii) the recorded total of valid first preference votes.

STV45.3 All ballots transferred under rule STV44 or STV45 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot or, as the case may be, all the ballots in that sub-parcel.

STV45.4 Where a ballot is so marked that it is unclear to the returning officer at any stage of the count under rule STV44 or STV45 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot as a non-transferable vote; and votes on a ballot shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV46. Exclusion of candidates

STV46.1 If:

(a) all transferable ballots which under the provisions of rule STV44 (including that rule as applied by rule STV46.11 and this rule are required to be transferred, have been transferred, and
(b) subject to rule STV47, one or more vacancies remain to be filled,
the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV46.12 applies, the candidates with the then lowest votes).

STV46.2 The returning officer shall sort all the ballots on which first preference votes are given for the candidate or candidates excluded under rule STV46.1 into two sub-parcels so that they are grouped as:

(a) ballots on which a next available preference is given, and
(b) ballots on which no such preference is given (thereby including ballots on which preferences are given only for candidates who are deemed to be elected or are excluded).
STV46.3 The returning officer shall, in accordance with this rule and rule STV45, transfer each sub-pa rcel of ballots referred to in rule STV46.2 to the candidate for whom the next available preference is given on those ballots.

STV46.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV46.5 If, subject to rule STV47, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballots, if any, which had been transferred to any candidate excluded under rule STV46.1 into sub-parcels according to their transfer value.

STV46.6 The returning officer shall transfer those ballots in the sub-parcel of transferable ballots with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballots (thereby passing over candidates who are deemed to be elected or are excluded).

STV46.7 The vote on each transferable ballot transferred under rule STV46.6 shall be at the value at which that vote was received by the candidate excluded under rule STV46.1.

STV46.8 Any ballots on which no next available preferences have been expressed shall be set aside as non-transferable votes.

STV46.9 After the returning officer has completed the transfer of the ballots in the sub-parcel of ballots with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballots with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule STV46.1.

STV46.10 The returning officer shall after each stage of the count completed under this rule:

(a) record:

(i) the total value of votes, or
(ii) the total transfer value of votes transferred to each candidate,
(b) add that total to the previous total of votes recorded for each candidate and record the new total,
(c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
(d) compare:

(i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
(ii) the recorded total of valid first preference votes.

STV46.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV44.5 to STV44.10 and rule STV45.

STV46.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

STV46.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

(a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and

3.5 All decisions taken in good faith at a meeting of the Council of Governors or of any committee shall be valid even if it is discovered subsequently that there was a defect in the calling of the meeting, or the appointment of the Governors attending the meeting.

Save as otherwise provided in the Constitution and/or the 2006 Act, if the Chair so determines or if a Governor requests, a question at a meeting shall be determined by a majority of the votes of the Governors participating in the meeting and voting on the question and, in the case of any equality of votes, the person presiding shall have a casting vote. No resolution of the Council of Governors shall be passed if it is opposed by all of the Public Governors present and participating in the meeting.

3.17 All questions put to the vote shall, at the discretion of the person presiding, be determined by oral expression or by a show of hands.

3.18 If at least one-third of the Governors participating so request, the voting (other than by paper ballot) on any question may be recorded to show how each Governor present voted or abstained.

3.19 If a Governor so requests, his/her vote shall be recorded by name upon any vote (other than by paper ballot).

If a Governor has declared a pecuniary interest in any matter, the Governor must leave the meeting room, and will not count towards the quorum of the meeting, during the consideration, discussion and voting on the matter. If a quorum is then not available for the discussion and/or the passing or a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.

3.31 Subject to Standing Orders in relation to interests, any Director or their nominated representatives shall have the right to attend meetings of the Council of Governors and, subject to the overall control of the Chair, to speak to any item under consideration.

The Secretary shall amend the Register of Interests upon receipt of notification within three (3) working days.

4. Governors and Directors: Communication and Conflict

4.1 Summary

This paragraph 4 describes the processes intended to ensure a successful and constructive relationship between the Council of Governors and the Board of Directors. It emphasises the importance of informal and formal communication, and confirms the formal arrangements for communication within the Trust. It suggests an approach to informal communications, and sets out the formal arrangements for resolving conflicts between the Council of Governors and the Board of Directors.

4.2 Informal Communications

4.2.1 Informal and frequent communication between the Governors and the Directors is an essential feature of a positive and constructive relationship designed to benefit the Trust and the services it provides.

4.2.2 The Chair shall use his reasonable endeavours to encourage effective informal methods of communication including:

(a) participation of the Board of Directors in the induction, orientation and training of Governors;

(b) development of special interest relationships between Non-executive Directors and Governors;

(c) discussions between Governors and the Chair and/or the Chief Executive and/or Directors through the office of the Chief Executive or his nominated officer; and

4.3 Formal Communication

4.3.1 Some aspects of formal communication are defined by the constitutional roles and responsibilities of the Council of Governors and the Board of Directors respectively.

4.3.2 Formal communications initiated by the Council of Governors and intended for the Board of Directors will be conducted as follows:

(a) specific requests by the Council of Governors will be made through the Chair to the Board of Directors;

(b) any Governor has the right to raise specific issues to be put to the Board of Directors at a duly constituted meeting of the Council of Governors through the Chair but if the Chair declines to raise any such issue the said Governor may nonetheless still raise it provided two thirds of the Governors present approve his request to do so. The Chair shall then raise the matter with the Board of Directors and provide the response to the Council of Governors; and

(c) joint meetings will take place between the Council of Governors and the Board of Directors as and when appropriate.

4.3.3 The Board of Directors may request the Chair to seek the views of the Council of Governors on such matters as the Board of Directors may from time to time determine.

4.3.4 Communications between the Council of Governors and the Board of Directors may occur with regard to, but shall not be limited to:

(a) the Board of Directors’ proposals for the strategic direction;

(b) the Board of Directors’ proposals for developments;

(c) Trust performance;

(d) the Annual Plan

(e) involvement in service reviews and evaluation relating to the Trust’s services; and

(f) proposed changes, plans and developments for the Trust other than may be covered by paragraph 4.3.2(b) above.

4.3.5 The Board of Directors shall also present to the Council of Governors the Annual Accounts, Annual Report and Auditors Report in accordance with the terms of this Constitution and of the 2006 Act.

4.3.6 The following formal methods of communication may also be used as appropriate with the consent of both the Council of Governors and the Board of Directors:

(a) attendance by the Board of Directors at a meeting of the Council of Governors;
(b) provision of formal reports or presentations by Executive Directors to a meeting of the Council of Governors;

(c) inclusion of appropriate minutes for information on the agenda of a meeting of the Council of Governors; and

(d) reporting the views of the Council of Governors to the Board of Directors though the Chair or Deputy Chair.

5. Resolution Of Disputes

5.1 Dispute Resolution between Board of Directors and Council of Governors

5.1.1 Should a dispute arise between the Council of Governors and the Board of Directors, then the disputes resolution procedure set out below recognises the different roles of the Council and the Board as described in the Constitution.

5.1.2 The Chair, or Deputy Chair (if the dispute involves the Chair), shall first endeavour through discussion with Governors and Directors or, to achieve the earliest possible conclusion, appropriate representatives of them, to resolve the matter to the reasonable satisfaction of both parties.

5.1.3 Failing resolution under 5.1.1 above then the Chair shall appoint a special committee comprising equal numbers of Directors and Governors to consider the circumstances and to clearly and concisely produce a recommendation statement to the Council of Governors and Board of Directors with a view to resolving the dispute (the “Recommendation Statement”).

5.1.4 The Chair shall ensure that the Recommendation Statement, without amendment or abbreviation in any way, shall be an Agenda Item and Agenda Paper at the next formal meeting of both the Board and Council.

5.1.5 If the matter remains unresolved or only partially resolved then the procedure outlined in 5.1.1 above shall be repeated.

5.1.6 If, in the opinion of the Chair or Deputy Chair (if the dispute involves the Chair), and following the further discussions prescribed in 5.1.4, there is no further prospect of a full resolution or, if at any stage in the whole process, in the opinion of the Chair or Deputy Chair, as the case may be, there is no prospect of a resolution (partial or otherwise) then he shall advise the Council and the Board accordingly.

5.1.7 On the satisfactory completion of this disputes process the Board of Directors shall implement agreed changes.

5.1.8 On the unsatisfactory completion of this disputes process the view of the Board of Directors shall prevail.

5.2 Nothing in this procedure shall prevent the Council, if it so desires, from informing Monitor that, in the Council's opinion, the Board has not responded constructively to concerns of the Council that the Trust is not meeting the Terms of Authorisation.

6. Other Disputes

6.1 Where an individual is held by the Trust to be ineligible and/or disqualified from Membership of the Trust and disputes the Trust’s decision in this respect, the
matter shall be referred to the Secretary (or such other office of the Trust as the Chief Executive may nominate) as soon as reasonably practicable thereafter.

6.1.1 The Secretary (or his nominated representative) shall:

(a) review the original decision having regard to any representations made by the individual concerned and such other material, if any, as the Secretary considers appropriate;

(b) then either confirm the original decision or make some other decision as appropriate based on the evidence which he has considered; and

(c) communicate his decision and the reasons for it in writing to the individual concerned as soon as reasonably practicable.

6.1.2 If the Member is aggrieved of the decision of the Secretary pursuant to paragraph 6.1.1 above, he may appeal in writing to the Council of Governors within fourteen (14) days of the Secretary's decision. The Council of Governors decision is to be final.

6.1.3 Where a Governor is declared ineligible or disqualified from office or his term of office as a Governor has been terminated (otherwise than as a consequence of his own resignation) and that person disputes the decision, he shall as reasonably practicable be entitled to attend a meeting with the Chair and Chief Executive of the Trust, who shall use their reasonable endeavours to facilitate such a meeting, to discuss the decision with a view to resolving any dispute which may have arisen but the Chair and Chief Executive shall not be entitled to rescind or vary the decision which has already been taken.

6.2 Review of Process

6.2.1 The arrangements in paragraph 6.1 above will apply for twelve months from the date of approval of the Constitution. At or about the end of that period, the Trust shall arrange a joint meeting of the Council of Governors and the Board of Directors to assess communications between them over that period, and consider any changes to this procedure that might assist resolution in the event of a conflict between them.

6.2.2 The Constitution shall be reviewed on the first anniversary of the Trust's authorisation or as soon as reasonably practicable thereafter. Further review dates shall be established at that time.

6.3 Indemnity

Members of the Council of Governors and Board of Directors who act honestly and in good faith will not have to meet out of their personal resources any personal civil liability which is incurred in the execution or purported execution of their Board functions, save where they have acted recklessly. Any costs arising in this way will be met by the Trust and the Trust shall have the power to purchase suitable insurance or make appropriate arrangements with the National Health Service Resolution to cover such costs.

6.4 Validity of Actions

No defect or deficiency in the appointment or composition of the Council of Governors or the Board of Directors shall affect the validity of any action taken by them.
7. Board of Directors: Disqualification

7.1 In addition to the grounds of disqualification set out in Paragraph 28 of the Constitution, a person may also not be or continue as a Director of the Trust if:

7.1.4 information revealed by a Criminal Records Bureau check is such that it would be inappropriate for him to become or continue as a Director on the grounds that this would adversely affect public confidence in the Trust or otherwise bring the Trust into disrepute;

7.1.5 in the case of an Executive Director, he is no longer employed by the Trust;

7.1.6 he is a person who has had their name removed by a Direction under section 154 of the 2006 Act from any list prepared under Part 4 of that Act, and have not subsequently had their name included on such a list;
