

Your visit to Hearing Services

Hello! Welcome to Hearing Services.
Please sit or play in our **waiting room**.

When it's your turn we
will **call your name**.

In our special rooms we will
have a talk about **your ears**.

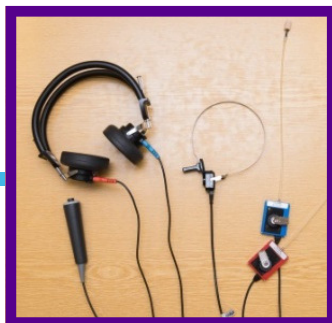

We will look in your ears
with a special **torch**.

Then use a **computer** that
tickles your ear.

Now it's time to play
a **listening game**.

First, we need
headphones.

If you hear a **sound...**
you can press a **button**.

Or put a man
in the **boat**.

Nearly done, just a
bit more **talking**.

Well done! You've
finished. **Home time!**
