(eight more than 2015-16!)

SERVICE USER FEEDBACK

Early Years Team

96%

of parents/carers surveyed rated the service as excellent

Parent/carer feedback

"I love how my child's therapist explains and understands his needs"

"Please... hire out the hydrotherapy pool for private use"

"My son's therapists go above and beyond the call of duty and do everything possible to help his rehabilitation and family wellbeing"

Community Team

96%

of patients surveyed gave the service a big smiley face and said "it helped me a lot!"

100%

of parents/carers surveyed rated the service as excellent

Patient feedback

"It helped me build my confidence - I want to do it again"

"I can now ride my bike, swim and tie my laces - it is awesome"

"It helped me do stuff, like write better"

Parent/carer feedback

"It has been fantastic for us, very helpful and supportive. All your hard work has really made a difference. Kaiden is a much happier little boy."

Musculoskeletal Outpatients

96%

of patients surveyed gave the service a big smiley face and said "it helped me a lot!"

100%

of parents/carers surveyed rated the service as good/excellent

Patient feedback

"It has helped me get back to sports"

"So happy I am not in pain any more"

Parent/carer feedback

"Over a year of pain resolved after three weeks of physio"

"We could not be happier with the service - thank you so much"

"So impressed with the professionalism"
