

The Paediatric Disability Distance Learning Courses Team at Ryegate Children's Centre, Sheffield invites applications for

# ADHD AND COMORBID CONDITIONS DISTANCE LEARNING COURSE

## ABOUT THE COURSE

This course has been developed by paediatric disability experts at Sheffield Children's NHS Foundation Trust.

After completing the course you will be able to:

- understand the definition of ADHD and its possible aetiologies and synthesise this into clinical practice
- be part of a team involved in assessment and management of children and young people with ADHD and comorbid developmental and mental health difficulties
- critically evaluate local health services and contribute to service development
- make informed judgements within this area, knowing when to ask for help and when refer on
- provide effective advice to education, social care and other agencies

The course should take four months to complete and includes a compulsory study day.

## Study Day

Meet with clinicians and fellow learners for a full study day at our centre in Sheffield. The day focuses on:

- the role of the ADHD specialist nurse
- attachment disorder
- current ADHD service issues

## COST

£450 / £400 for BACD Members

## STUDY DAY VENUE

Ryegate Children's Centre  
Tapton Crescent Road  
Sheffield  
S10 5DD

## AUDIENCE

This course is intended to support learning for specialist nurses, paediatric trainees and other health professionals working with children and young people with ADHD and their families.

## FEEDBACK

"Thank you, so much learning in the workbook which I will continue to refer to. The assessment topic was invaluable in helping me to focus my role in the service and our future direction in ADHD". - *Student*
