There are a number of services which you may wish to use and these are further outlined in the leaflet.

Books

The library has a large collection of paediatric textbooks which you can refer to and use within the library. The staff can signpost you to the correct section for your needs.

We also have a collection of fiction books including; "Quick Reads", crime and romance novels, and Mood Boosting books.

Reading Group

The library runs a reading group on the first Wednesday of every month at 17:15 in the library.

If you would like to join the group, please contact us for information on the book currently being read.

Support

The Library can help you access the Contact a Family website where you can search for information on groups to support you in the care of your child. The website can be found at www.cafamily.org.uk

Computers

There are computers in the library computer room for use by Parents, carers and families if you need computer/internet access whilst your child is a patient at the hospital. The library staff can log you into these using a guest login. You may use these computers to research your child's condition or undertake necessary personal business e.g. reading emails or online banking.
